Lead sponsors light the way!

With the exception of the parade, the Ferris wheel and the official tee-shirt, and the count, all the key sponsorships of Pumpkin Festival 2015 have been completed! Lakes Region generosity and support were promised and are shining through.

We still have MANY opportunities for \$200 sponsorships of the A-frame Shelves which display 40 jack-o'-lanterns each. Franklin Savings Bank led the way as our first A-frame supporter. Who else wants to sponsor the displays in front of your own establishment? (Like, everyone, right?)

Email Ruth Sterling, RS@SterlingDes.com, to make your Sponsorship Pledge!
